The Ponte Vedra Band Scholarship Fund is available for assistance with the payment of registration fees for families who are facing financial hardship. Funding for this program is limited. Any band student who demonstrates a financial need may apply. Assistance is granted based on demonstrated financial need as well as recommendations by the Ponte Vedra Band Director. Scholarships will be awarded by the Ocean of Sound Band Boosters. Students receiving a scholarship for a participation fee waiver are required to maintain a grade of "A" in band class. All requests for participation fee waivers are kept strictly confidential. This application process enables the Band Boosters to remain in compliance with IRS guidelines for tax-exempt organizations in the awarding of scholarship assistance. Financial assistance is for participation fees only and may not be applied to other band expenses or band trips. Students benefiting from scholarship assistance are strongly encouraged to participate in fundraising and parents are strongly encouraged to participate in at least one of the Booster program volunteer opportunities.

To be considered for a scholarship, students/parents must complete this application and submit it to the Band Director. A letter from the parent or guardian explaining the financial hardship is also required. Scholarships are awarded for one school year and applications must be submitted annually to be considered. If more than one student per household is applying for a scholarship, a separate application for each student is required.
