PVHS Instrumental Agreement

The Ponte Vedra High School Band is providing your child with an instrument to use during the 2018-2019 school year. Please read all of the information carefully so that our instruments remain in good working order for the future. You are responsible for the care and upkeep of the instrument while it is in your possession. Ponte Vedra High Band will take inventory at the beginning of the school year. At that time, all school owned instruments will have their Serial Number and Condition recorded. In the event of any kind of a problem with the instrument, return it to the band room and notify Mr. Reynolds immediately so that more damage does not occur and it can be repaired quickly. All moving parts should always move easily. Lubrication is very important to the longevity of the instrument. Water needs to be completely emptied from brass instruments after each use and in appropriate places. Instrumental Fee is \$100.

1. We agree that if the instrument is damaged while in our possession, we will pay the amount of damages.

a. Brass instrument valves should be oiled before each use. All slides should be lubricated once per week. When the instrument is not in use, close all slides. All parts should move easily and never be forced.

b. All instruments should be free of moisture after playing. Woodwinds should be swabbed. Brass water keys should be emptied.

2. We agree that no other persons will handle the instrument (i.e. friends, brothers, sisters, etc.) This will help to prevent accidents.

3. We agree to pay the current price of the instrument, in the event of theft, loss, or extreme damage rendering the instrument unplayable, when it is not under band room security.

NO REPAIRS ARE TO BE MADE WITH OUT THE PERMISSION OF THE BAND DIRECTOR!

4. We agree to return the instrument, upon request, to the director or proper officials.

5. We agree to return the instrument before the end of the school year. Students will be notified of the turn in date.
